

**Clinical First Aid Training
OPTION 4
Onsite Practical Assessment**

£5 per person

Method: Onsite practical assessment of theory your staff have learnt through either ours or other online first aid training courses.

We will assess the practical elements of first aid which include:

- ♥ CPR on a baby/child and adult
- ♥ Demonstration of the safe use of an AED
- ♥ The procedure for assisting a choking casualty on a manikin
- ♥ The use of an adrenaline (training) auto-injector

Practical assessments will be delivered in small groups (depending on room size but no more than 4 people) and run at 20 minute intervals (see example below).

Date: Time	Name	Name	Name	Name
12.00				
12.20				
12.40				

Drop in sessions are also available throughout the year at Heartbeat head office in Preston.

Assessment

Continuous assessment by the trainer

Certification

Successful students are awarded a certificate of competence
